Jensen Koch

Web Developer

City: St. Louis, Missouri
Email: jtkoch12@gmail.com
Phone: 217-474-9736
LinkedIn: www.linkedin.com/in/jensen-koch-a85956196/

About*Me*

The spark to become a web developer came from the first time I produced "Hello World" in the console of my first application. Web development has offered me an engaging challenge that pushes me to learn, grow, and continuously problem solve. My unconventional career progression has led me to become a versatile employee who understands both technical and customer facing needs.

Below you will find a list of projects that showcase my skills and general background.

Experience

1. Todo App - https://angry-babbage-4ce737.netlify.com/

https://github.com/jtkoch/React-Todo/tree/Jensen-Koch
